performers	Głuchowski, Tomasz , Klupś-Radny, Martyna

Product description

The organ and flute combination offers numerous expressive and tone colour possibilities, which seem to be an unlimited source of inspiration for contemporary composers. At the same time, this combination completely changes the sound of works originally written for a different ensemble. Surprisingly innovative transcriptions, intriguing pieces dedicated to the performers, the beauty of the harmony of both instruments and excellent chamber music partnership are the distinguishing features of the album registered by two artists with rich concert and recording achievements.

DUX 2015 Total time: [2:11]

Mieczysław Surzyński
